For Our Families. Join The Mission By Standing Up For Them.*

With the COVID-19 pandemic sweeping across the Nation, our Service Members are joining forces on the frontlines to combat this medical war. Military Friends Foundation 501c3 has pledged \$100,000 to launch the **"COVID-19 Massachusetts Military Family Relief Fund"**. **The Fund will provide immediate assistance to local military families and families of Fallen Service Members to help those affected by the COVID-19 pandemic.** The Fund will work in collaboration with the Massachusetts National Guard and Massachusetts Department of Veterans' Services and the state's COVID-19 Command Response Team.

The Fund is open to residents of Massachusetts who are:

- Active Military
- National Guard
- Reserves
- Families of Fallen Service Members

Military families are facing enormous and unique challenges. **100% of donations made to the Fund will be distributed to provide relief during this unprecedented time.**

The Fund will initially provide \$200 grants for:

- Food Assistance
- Health and Medical supplies and other essential household necessities
- Personal protective equipment (PPE) for Service Members and military family members who are First Responders and healthcare workers
